

Climb Channel Solutions Partners with Coro to Enhance Cybersecurity Solutions

Eatontown, NJ (August 26, 2025) – Climb Channel Solutions, an international specialty technology distributor and wholly owned subsidiary of Climb Global Solutions, Inc. (NASDAQ: CLMB), is excited to announce a strategic partnership with Coro. This partnership aims to leverage the strengths of both companies to deliver comprehensive cybersecurity solutions to a broader market.

As cyber threats continue to evolve and SMBs and distributed enterprise face increasing security and compliance pressures, the demand for streamlined, scalable cybersecurity has never been greater. Coro's unified platform meets this need, empowering channel partners to protect their customers from email threats, endpoint attacks, data loss, insider risks, and more through a single, integrated solution.

"This partnership reinforces Coro's commitment to a channel-first go-to-market strategy," said Joe Sykora, CEO of Coro. **"Climb is a trusted leader with deep expertise in the channel and a strong reputation among MSPs and Value-Added Resellers. Together, we're making cybersecurity easier for partners to deliver and manage, while helping them grow their business in a profitable and predictable way."**

This partnership also highlights Climb's dedication to fostering innovation and growth within the cybersecurity landscape. By collaborating with Coro, Climb is not only expanding its portfolio of cybersecurity solutions but also reinforcing its position as a leader in the technology distribution sector. This strategic alliance is poised to drive significant advancements in cybersecurity, ensuring that businesses are well-equipped to navigate the complexities of the digital age.

"We are thrilled to join forces with Coro, a company that shares our dedication to delivering top-notch cybersecurity solutions," said Dale Foster, CEO of Climb Channel Solutions. **"By combining Coro's unified platform with our deep expertise in the channel, we are empowering our partners to protect their customers more efficiently and grow their businesses in a profitable and predictable way."**
